## Deadline for GATEKEEPER Information Reporting Solution is Approaching

*Contracts accepted through August 1, 2015*

Like most benefits/payroll administration technologies, cutoff dates for contacts are typical to allow the proper time to implement, test and train on a solution that must be operational prior to January 1, 2016.

Given the fast approaching deadline, we want to ensure our clients are fully aware and have enough time to consider this solution for their information reporting needs. We are still providing personalized demonstrations on the solution and will do so up until the deadline.

Contracts for GATEKEEPER will be accepted through August 1st for all standalone sales. For those that are accompanied by our SmartBEN or BenefitsLIVE solution, the deadline is September 1st.
